

PASSIONATE ABOUT AN INTERNATIONAL CAREER?

We are looking for new **Shipping Trainees to join our 2-year training program** during which you will be introduced to the Clipper organization and the world of shipping.

This is a unique opportunity to gain true experience and knowledge of the shipping business, mainly within chartering and operations, and develop professionally with responsibilities from day one.

YOU ARE AMBITIOUS, PASSIONATE & SKILLED

- a secondary education, 'HHX' or a bachelor degree with great results
- math at B-level
- no relevant job experience is required, but work during studies or travelling experiences are valued
- excellent communication skills in English, which is our corporate language
- A Danish work permit is a prerequisite for the job

You are also independent, outgoing and curious by nature, and the international aspect of shipping appeals to your personality.

YOU WILL EXPERIENCE SHIPPING IN PRACTICE & THEORY

- you will participate in the 3-modules Commercial Shipping Program facilitated by the Danish Shipping Academy
- you will attend courses in Maritime Law and Maritime Economics, Ship Knowledge, Negotiation and Communications Skills
- you will have the opportunity to study Business Administration at Copenhagen Business School
- you will be in charge of your own tasks, with the supervision of a tutor
- you will have the chance to visit a vessel at sea or in dry-dock
- you will maintain contacts with colleagues and partners around the world

We offer a competitive compensation package in a good working environment with modern facilities, an excellent lunch scheme, fitness room and a number of staff activities.

Please submit your application, CV and grade transcripts to our [jobportal](#), no later than 13 March 2017. We do not accept applications via email. If you have any question, please do not hesitate to contact HR Manager Britt Jørgensen | +45 4911 8117 | corp.people@clipper-group.com.

Clipper is an industry leader in dry-bulk with a modern fleet of approximately 100 handysize and supramax vessels, transporting a wide range of cargo from dry bulk to break bulk. Our in-house technical management department manages around 30 vessels with crewing, maintenance and other daily operations. Clipper is commercially headquartered in Copenhagen, employs a staff of 200 on shore, and has offices in 9 countries. We are a global workplace with strong values where we welcome the right mindset, curiosity and ambition. Find out more at clipper-group.com.
