

Head of Finance & IT

We are looking for a strong leader to head our Finance & IT departments

As Head of Finance & IT you will be leading a team of appx. 23 employees, including managers, at Clippers headquarter in Copenhagen and have the global responsibility for supervising and evaluating all accounting, controlling, reporting, treasury and IT activities in Clipper.

You will also ensure close coordination and cooperation with other departments in Clipper and with external business partners (auditors etc.).

The responsibility also encompasses initiatives for ongoing improvement of end-to-end processes to comply with deadlines and to achieve both high quality and efficiency. In addition to this, you must maintain high level knowledge in terms of accounting principles, technological opportunities, legal requirements etc.

You will also have the overall responsibility for maintaining sustainable IT excellence across the group, including adequate safety and accessibility, via the Head of IT.

The Head of Finance & IT will cooperate closely with the Group COO and Group CEO, and actively participate in board meetings, IT Steering Committee and cross functional initiatives.

**YOU ARE
