

Head of IT - Copenhagen

Clipper Bulk A/S is searching for a dedicated and strong Head of IT to the IT team located at Clipper's headquarter in Copenhagen

Clipper IT is undergoing a transformation towards a scalable and cost-efficient IT setup. As part of the transformation, our IT infrastructure operation will be moved to an external vendor. With this change comes a new focus for the team: away from operating networks and servers, and towards maximizing the value of Clipper's business applications.

We are looking for a new Head of IT to drive the ambitious agenda.

You will take over from the current interim Head of IT and report directly to Clipper's CFO.

There are two key objectives to your tasks:

IT Service Delivery and Team Leadership:

- Define long-term direction for and build an agile IT function
- Lead a team of three including two direct reports
- Ensure continuous IT service delivery to the entire Clipper organization worldwide
- Ensure continuous improvement of Clipper's IT spend

IT Application Ownership and Continuous Improvement

- Ensure business processes and IT Application support each other optimally
- Establish and lead an IT steering committee to ensure ongoing IT-enabled optimization efforts
- Identify and implement opportunities for business process improvement

We believe that trust is a great motivator and we wish you to have a proactive and positive attitude.

Your background:

- A relevant higher education e.g. MSc. In Business Administration and IT or equivalent
- People leadership and coaching experience
- Hands-on IT requirements collection, FIT-GAP assessments and business case creation
- Hands-on experience in establishing and running agile work practices for continuous improvement
- Experience with contract negotiations, budget ownership and cost optimization
- Experience with Veson IMOS Platform and MSBC is a plus
- Experience from the shipping industry is a plus
- Excellent communication skills in English

We offer a challenging position with the opportunity to growth. Furthermore, we offer a competitive compensation package and good working conditions in a modern house in Nordhavn with excellent lunch scheme, fitness room and several staff activities. Read more about Clipper at clipper-group.com

Application:

Please submit your application, CV and other relevant documents through [this link](#) no later than 30th August 2020. Should you have any questions regarding this position, please contact Interim Head of IT, Sebastian Schwolow | ssc@clipper-group.com | +45 2811 8249 or HR Manager, Line Randløv | Irv@clipper-group.com | +45 3038 5048.
